CASH FLOW EXPERT FOR ONLINE ENTREPRENEURS

The founder of Profit For Keeps, a system developed for online entrepreneurs to end the stress and anxiety around numbers. It is a holistic system combining personal finance and business cash flow strategies using Profit First and YNAB (You Need a Budget).

She has helped hundreds of coaches implement this system and has helped thousands more calculate revenue goals that actually make sense! She is a certified health coach from IIN and worked in corporate finance for 15 years before venturing out on her own in 2015 and thrives on being location independent.

She loves traveling, wine, bicycles, knitting, and a good cup of tea (if in England) and coffee (if in Italy).
